Education Innovation

EXIT 30

SAVE the DATE

INNOVATION CENTER WINTER CONFERENCE 2018

February 5 - 7

**Innisbrook Resort,
Palm Harbor, FL**

FORD NGL MOBILIZES Educators, Employers and Community Leaders TO PREPARE

**A New Generation of Young
People Who Will Graduate from
High School Ready for
College, Careers and Life**

WHO SHOULD ATTEND

1. School Boards, Superintendents, Guidance Counselors and Administrators ready to embrace proven innovations leading to student and community engagement
2. School Principals and Classroom Teachers committed to ensuring that young people have the skills and tools they need to thrive in the workplace of tomorrow
3. Leaders seeking improvements in student engagement, attendance, academic achievement, and connection to community
4. Community and business partners prepared to help student performance and readiness for college, careers and life

WHAT WE ACHIEVE

The Ford NGL formula brings together educators, business leaders, and the community in a partnership that aligns resources to improve student performance and readiness for college, careers and life.
